Live Life. Live well. Live Umhlanga

The Skye comprises minimalist and contemporary apartment interiors which are perfectly adapted to the modern urban lifestyle and are carefully designed to create a sense of spaciousness and integration with the ocean views enjoyed by many apartments.

Each apartment will be available in three moods to suit individual preferences. The apartments each offer fully fitted air-conditioning with suspended ceilings and bulkheads, designer kitchens, high-end Smeg appliances and imported grade 1 floor and wall tiles.

External balustrades are glass to optimise views with balconies to ensure the utmost privacy whilst enhancing the experience...
